

HANGING SIGNS

Hanging signs are available for purchase in several distinct shapes and sizes.

These signs are composed of a number of aluminum poles that connect to create the individual shape. All designs utilize pillowcase style zippered graphics and are quality dye sub printed fabric.

The combination of the lightweight aluminum frame poles and the fabric graphic wrap allows for this banner's portability.

Single and double sided print options are available, All packages include framework of aluminum tubing, printed single-sided graphic (from your artwork), and is packaged in a Canvas Carrying case.

For an attention getting, great branding opportunity Genesis now offers hanging signs for purchase in several distinct shapes and sizes. These signs are composed of a number of aluminum poles that connect to create the individual shape that is lightweight and portable. All designs utilize pillowcase style zippered graphics and are made of a quality dye sub printed fabric. All package prices below include framework of aluminum tubing, single-sided printed graphic (from your provided artwork) and are packaged in a canvas carrying case. Pricing does not include labor to assemble/disassemble sign, highlift labor to install/remove from ceiling or additional hardware necessary to hang provided by Genesis. Double-sided printed graphic available, call for pricing. Genesis can save you time and money by assembling and hanging your purchased sign prior to your arrival on straight time, if the order, payment & artwork is received by the deadline date. Hanging prior to your scheduled move-in is optional and exhibitors can choose to wait and assemble the sign themselves and have hung under their supervision at their requested date & time.
